Beyond word of mouth, general press coverage, or standard marketing and promotion, the stations of All Classical Radio address issues of cultural vitality, arts community viability, the significance of music as it relates to the human experience, health, and education by dedicating significant airtime to conversations and performance to these community initiatives. These unique opportunities serve to enlighten a diverse audience within a broad region while deepening relationships with community partner organizations.

Special programming dealing with local issues includes the following programs:

**NORTHWEST PREVIEWS** All Classical Radio's celebration of the local arts scene. A five-minute program highlighting arts events for the upcoming weekend and week ahead.

**THURSDAYS @ THREE** All Classical Radio's free weekly in-studio concert, broadcast directly to listeners, and featuring exciting, in-studio performances and interviews showcasing world-renowned artists, burgeoning local ensembles, and touring musicians.
